

ПРИЛОЖЕНИЕ Б

Контактные данные ведущих производителей

Воспользуйтесь приведенной ниже таблицей для получения первичных контактных данных производителей, упомянутых в этой книге. Кроме этого, можно обратиться к базе данных ведущих производителей, представленной на прилагаемом компакт-диске. Эта база данных содержит более подробную контактную информацию и описание услуг, а кроме того, она снабжена удобной поисковой системой.

Компания	Номер телефона	Электронная почта	Web-узел
